Youth Academy Program—REGISTRATION NOW OPEN!

What is it?

UMSC Rep Academy Athletes: Born in 2003—2005

The Academy Program is an advanced program by selection where peer levels and intensity are higher. It is a prep development program for players who play winter indoor or in the summer outdoor season. The players will participate in weekly training sessions indoors and March break training camp in the spring. In addition, the players will represent Unionville in the YRSL in development games and tournaments against neighboring clubs at the U7 & U8 level.

Our primary goal is to develop and strengthen our players and to challenge them to achieve higher levels of soccer awareness. Through various initiatives and programs, we also strive to create strong foundations for the Rep Academy at U7 and U8 Development Team programs.

Who Can Attend?

This program is offered to approximately 30 BOYS per Age group that are looking for a prep program for their development. Only a limited number of spots are available for the Academy Program!

You must be enrolled in UMSC to participate.
