

A MATCH ANALYSIS STEP BY STEP

When we have the ball:

- Are our goal scoring chances created due to our good play or their mistakes?
- Are our goal scoring chances created due to passes, dribbling or via crosses?
- Who on our team is creating chances? Why?
- Who on our team is not creating chances? Why?
- How do we lose possession?
 - Shot at goal,
 - Poor pass,
 - Team support is in a poor position
 - Bad technique in the pass
 - Poor 1st touch; IE: poor technique when pass is received
- Who on our team is maintaining possession? Why? Good position, technique etc...

When they have the ball:

- Are their goal scoring chances created due to their good play or our mistakes?
- Are their goal scoring chances created due to passes, dribbling or via crosses?
- Who on their team is creating chances? Why?
- Who on their team is not creating chances? Why?
- How do we win possession?
 - Shot at goal,
 - Our tackling,
 - Our team shape,
 - Their poor pass,
 - Team support is in a poor position
 - Bad technique in the pass
 - Their poor 1st touch; IE: poor technique when pass is received
- Who on our team is winning possession? Why? Good position, technique etc...
