## CODE OF ETHICS

As an elected member on the Unionville Milliken Soccer Club (UMSC) Board of Trustees,

- I will devote time, thought and effort to the duties and responsibilities so that I may render effective and creditable service.
- I will recognize that the expenditure of UMSC funds is a public trust and I will endeavour to see that all such funds shall be expended efficiently, economically and for the best interest of the members.
- I will endeavour to work with my fellow trustees in a spirit of harmony and cooperation in spite of difference of opinion that may arise during debate. I will observe proper decorum and behaviour, encourage full and open discussions in all matters with my fellow trustees and treat them with respect and consideration and I will not withhold or conceal from them any information or matter with which they should be concerned.
- I will base my personal decision upon all available facts in each situation, vote my honest conviction in every case, unswayed by partisan bias of any kind, and thereafter abide by and uphold the final majority decision of the board.
- I will not use the UMSC or any part of the UMSC program for my own personal advantage or for the advantage of my family or friends, I will do everything possible to maintain the integrity, confidence and dignity of the office of UMSC trustees and I will resist every temptation and outside pressure to use my position as a trustee to benefit either myself or any other individual or agency.
- I will remember at all times that as an individual, I have no legal authority outside the meetings of the board, unless the board has so delegated. My relationships with the UMSC staff, the local community and the media will be conducted on the basis of this fact.
- I will not discuss the confidential business of the board with persons other than members of the board outside of a board meeting or a committee meeting thereof.
- I will always bear in mind that the primary function of the board is to establish the policies by which the UMSC programs are to be administered, and that the daily administration of the UMSC program and conduct of the UMSC business shall be the responsibility of the UMSC office manager and his/her staff and/or as designated by the UMSC board.
- Should I be found to be in breach of this code of ethics I understand that I may be subjected to a disciplinary process, by either the UMSC board or a disciplinary committee appointed by the UMSC board, at the absolute discretion of the UMSC Board, and subject to penalties including dismissal from the position to which I have been elected or acclaimed, at the absolute discretion of the said UMSC Board.
