

Jorge Martinez Jr. 1988 – 2002

Aged 14 years

Jorge Jr. was an outstanding scholar and a multi-talented member of our Unionville Milliken Soccer Club. Jorge was both a soccer player and referee, who most recently had been assisting the Vice President of Recreational Soccer in coordinating referees for the Winter 2002 season. This past season, he had played on the Unionville Select team coached by his father Jorge Martinez Sr..

He has been called home too soon for us all at the UMSC, and will be sorely missed by coaches, players, and the executive of the club.
